Technical drawing of a door and window assembly. The drawing includes a door with a handle and a window above it. Dimensions are indicated by arrows and text. The text "OPENING WIDTH" is present. The drawing is labeled "Fig. 10.1" in the bottom right corner.

The diagram shows a Z-profile with the following labels and dimensions:

- Flange Location:** Indicated by a vertical line on the right side of the profile.
- Throat Size:** Indicated by a horizontal line on the left side of the profile.
- STUD SIZE:** Indicated by a horizontal line at the bottom of the profile.

The diagram shows a Z-profile cross-section with the following labels and dimensions:

- Flange Location:** Indicated by a vertical line on the right side of the profile.
- Throat Size:** Indicated by a horizontal line on the left side of the profile.
- STUD SIZE:** Indicated by a horizontal line at the bottom of the profile.

Hinge Locations

Technical drawing of a door and window assembly. The drawing includes a door with a handle and a window above it. Dimensions are indicated by arrows and lines. The text "OPENING WIDTH" is present, indicating the width of the opening. The drawing shows the door frame, the door itself, and the window frame. The door has a handle and a lock mechanism. The window is a simple rectangular frame. The drawing is a cross-section or elevation view, showing the relationship between the door, window, and the surrounding structure.

The diagram illustrates a Z-channel section with various dimensions and labels:

- Throat Size:** Indicated by a vertical double-headed arrow on the left side of the section.
- Studs:** Represented by horizontal lines with vertical arrows pointing towards the section, indicating the direction of force or movement.
- Labels:**
 - Throat Size** is written vertically on the left.
 - STUD SIZE:** is written at the bottom right, followed by a blank line for specification.
